Cold Mill: 01639 463525

**YOU MAY BE AUDITED DURING THE LOADING PROCESS**

**IF IT'S NOT SAFE, DON'T DO IT!!**

1 Drive left out of the Lorry Park and over two Level Crossings.

2 Stop your vehicle in front of the sliding door. **Press the green button to open.**

Do not drive through until the doors have stopped moving. Be aware of oncoming traffic.

4 Turn right, into the despatch bay. The door will be labelled 'Door 11'. Please note you will have to wait if rail movement is occurring.

Turn right when entering the Bay.

Park alongside platform in an available loading area and prepare trailer for loading. **Ensure your handbrake is on and engine is off.**

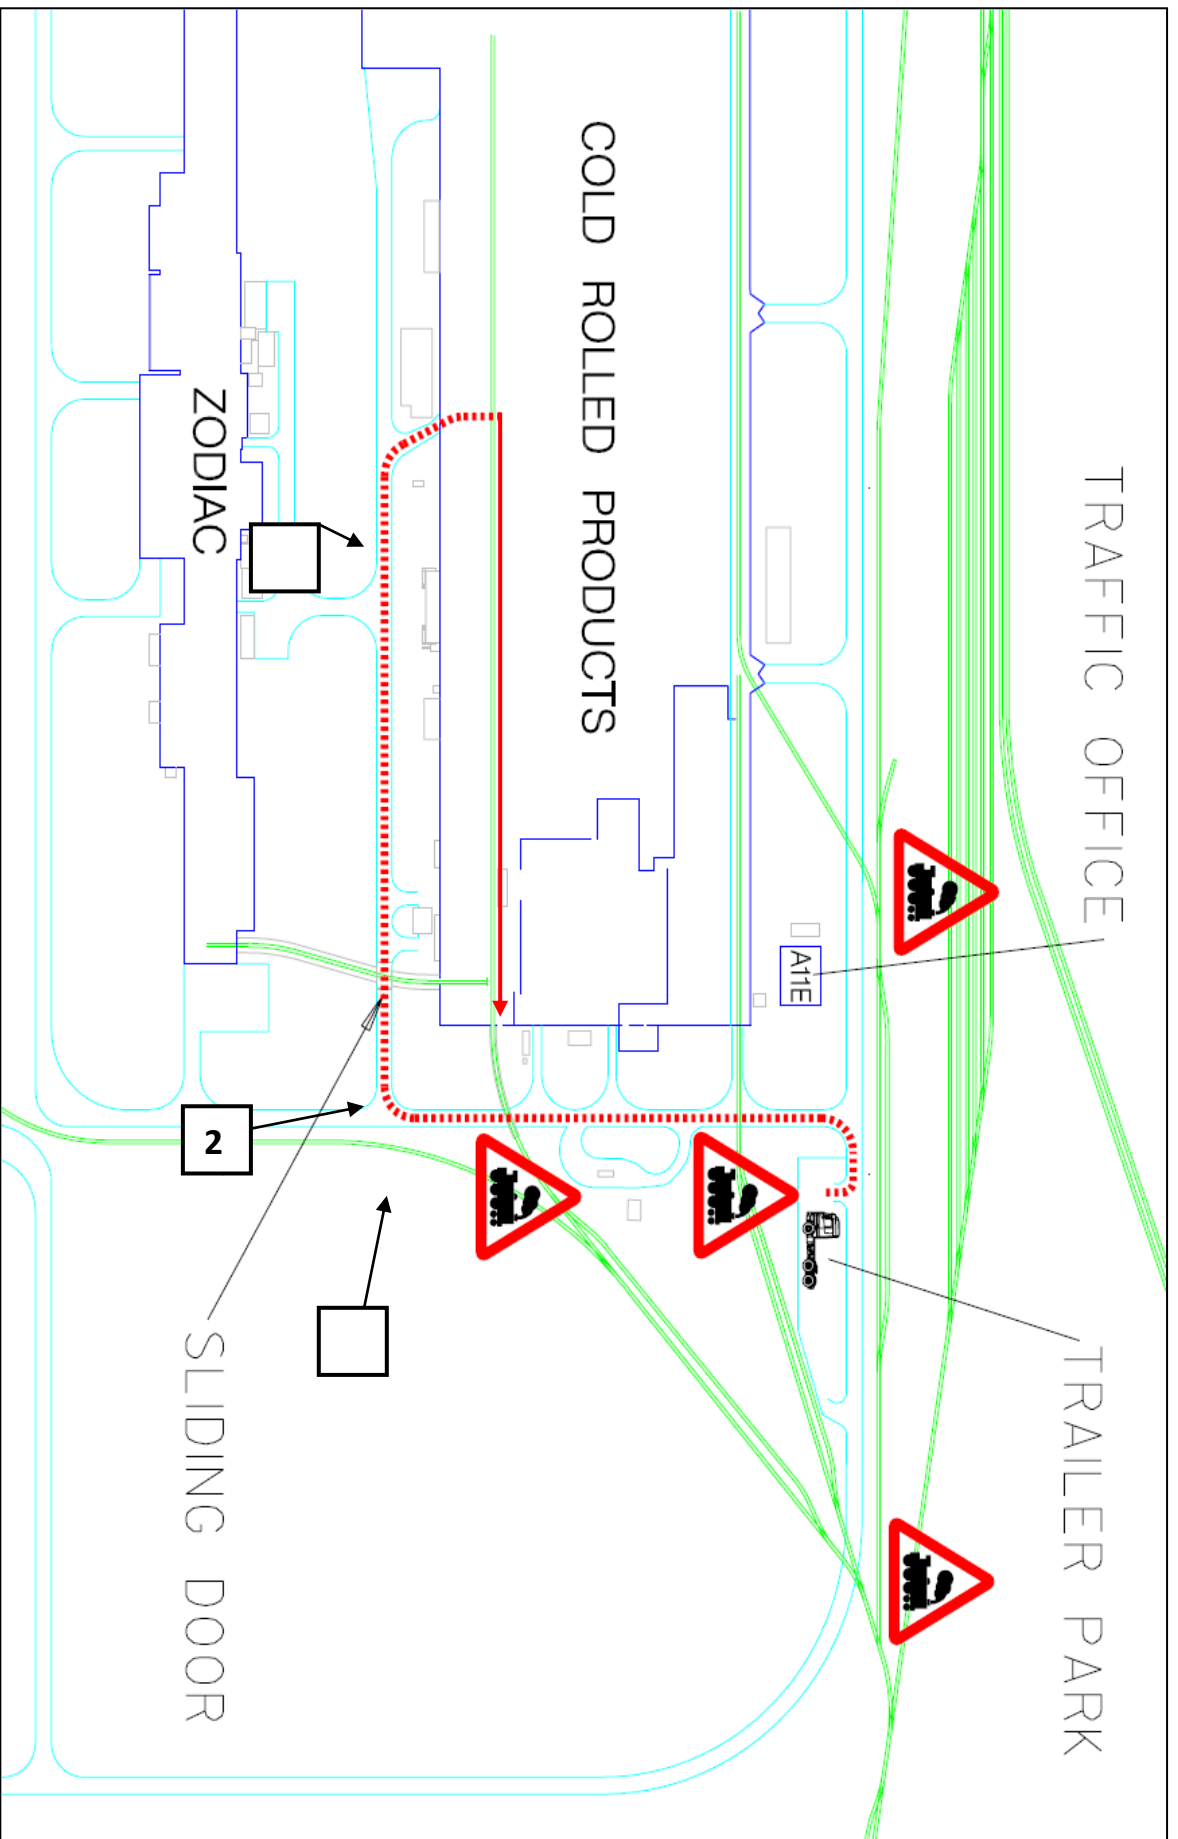

You **MUST** stand in the adjacent driver 'Safe Zone' during loading.

Secure your load in line with the TATA LRG0008 Load Restraint Guideline.

To exit, drive straight ahead. Pull up to the **left** exit door. **It will open automatically.**

**ATTENTION:** You will cross a number of different Level Crossings on your route to the despatch bay.

Be careful and **DO NOT** Proceed when the Red Lights are showing!!

Please report any near misses to the shift manager, or call +44 1633 755146. If no one is available, please leave a message.
