

TATA CORBY F BAY INTRODUCTION OF SPEED RADAR

Issue – To reduce the risk of a collision or sharp braking manoeuvres a Speed radar gun has been introduced into Corby F Bay Warehouse.

The speed limit in the warehouse is 5 mph. The light up speed radar will indicate what speed you are travelling at and warn you to slow down if you are in excess of 5 mph.

Please ensure all drivers loading at Corby F bay are aware of the speed limit and drive carefully through the warehouse.
